### Request for Proposals – Variety Trials 2018

The Manitoba Crop Variety Evaluation Team (MCVET) requests proposals for the planting, maintenance, harvesting and sub-sampling of their Variety Evaluation Trials for the 2018 season.

- Sites – in the vicinity of the towns of Arborg, Boissevain, Dauphin, Hamiota and Thornhill. Contractors are to arrange for the appropriate land and pay land rent.
- Plots – it is anticipated that there will be between 400-500 individual plots divided into a maximum of 5-7 crop kinds per site.
- All plots are to be planted, maintained, harvested and sub-sampled as per MCVET protocols.
- Tenders can be for one or more sites.
- Lowest tenders not necessarily accepted.
- **Must be received by Monday January 29<sup>th</sup>, 2018 at 4:00 pm to:**
  - Email: [chami.amarasinghe@gov.mb.ca](mailto:chami.amarasinghe@gov.mb.ca) or
  - Fax : 204-745-5690
